How often can I have a garage sale?

Garage sales may be conducted not more than twice per calendar year and not to exceed three (3) consecutive days. Permits are not required.

Advertising Signs

The City of Arlington's Policy for Garage Sale Advertising Signs, as expressed in this notice, is extended for the purpose of guiding the public to garage sales in residential neighborhoods. These provisions are designed to allow temporary directional signs.

When can I place garage sale signs?

Signs will be allowed on the weekend (between noon Friday and noon Monday). A holiday falling on Friday or Monday will be considered part of the week-end and an additional day will be granted before or after the weekend as applicable. Note: Garage sale signs may be used during the week provided that they are not placed in street right-of-ways. Permission should be granted for the use of private property for off-site signs.

What size signs may I use?

Size and Height: Signs shall not exceed 24" x 30" in size. Signs shall not exceed three feet in height, when measured from the ground to the top of the sign.
